## 8. References

- (1) Article 102 (3), of Directive (UE) 2018/1972 of the European Parliament and of the Council of 11 December 2018 establishing the European Electronic Communications Code (OJ L 321, 17.12.2018, p.36).
- (2) The service includes unlimited data. In accordance with our terms and conditions, you can browse at maximum speed up to 300 GB per month. After exceeding 300 GB, speeds are reduced to 10 Mbps download and 2 Mbps upload until the start of the next billing month.
- (3) The advertised speeds are theoretical maximum speeds. The actual speed at the customer's home may vary and depends on several factors, such as the installation and equipment used, network traffic, the number of simultaneous users, network conditions and how the connection is used. Optimising these factors helps achieve the best possible speed.
