Article 102 (3), of Directive (UE) 2018/1972 of the European Parliament and of the Council of 11 December 2018 establishing the European Electronic Communications Code (OJ L 321, 17.12.2018, p.36).

- (1) Belgium and EU: excluding calls and texts to special or premium numbers, and excluding international calls and texts from Belgium to other countries. EU = European Union countries + Iceland, Liechtenstein, and Norway.
- (2) After using the included data in the mobile plan, extra data consumption is charged at € 0,0006/MB (or € 0,6/GB).
- (3) Depending on the compatibility of the terminal and subscription.
- (4) The “estimated maximum speed” is the maximum speed that users can expect to achieve at different locations in the coverage area under realistic conditions. This maximum value results from measurements on the whole national territory and might vary depending on the selected compatible tariff plan, the device performance and your location during the use of the service. 5G being under deployment, the speed estimation is based on limited data.
